Arrangement: This collection is organized into two series: the Individuals Files and Retirement and Emeritus Dinners. The Individuals Files series is organized alphabetically. In the Retirement and Emeritus Dinner series, three photo albums make up the bulk of the collection, with the rest being stored in folders in a box. All materials in the Retirement and Emeritus series are arranged chronologically.

Scope and Content Note: The Individuals Files series contains collected materials that pertain to certain significant individuals who either contributed to the founding of the college or occupied a leadership position, including some newspaper clippings, biographical information, and photographs. The Retirement and Emeritus Dinner series contains programs from retirement dinners and photo albums of the events. The programs contain a list of many individuals who made an impact on the college, including faculty and staff members from a wide variety of divisions, including administrative, clerical, maintenance, etc. (all individuals mentioned in these programs are listed below). Some programs contain brief biographies of the individuals being honored, while others simply contain a name, position, and the amount of time someone worked at the college. Many programs have photographs from the events as well, although some do not. This collection is added to each year with new programs and photographs.
